Bicycle owner: Please initial each rule below related to use of the bicycle racks:

Any bicycle owner wishing to use Monterey Homeowner Association (HOA) bicycle racks must register their bicycle(s) with the Monterey HOA and have bicycle(s) affixed with an identification decal. The HOA will provide identification decal(s) at no cost to be affixed to each bicycle. Bicycles without a decal will be provided a notice giving 7 days to get one. If the bicycle is not registered or removed the bicycle will be removed from the rack and be placed in HOA storage. If the bicycle is not claimed within 30 days of being placed in storage, the bicycle will be subject to disposal without recourse.

Initial: \_\_\_\_\_

Bicycle(s) must be in proper working order with fully inflated tires at all times. The HOA may remove and dispose of registered bicycles seven days after notifying the bicycle owner of noncompliance, using the contact info herein provided or assess fines for non-compliance after Notice and Hearing.

Initial: \_\_\_\_\_

The bicycle racks are for bicycles only. Strollers, motorized scooters, mopeds and other such devices are not permitted to use the bicycle racks. The HOA may retroactively impose a limit of two bicycles per unit if rack space becomes an issue.

Initial: \_\_\_\_\_

The HOA is not responsible for any stolen or damaged bikes, or for the replacement of or payment for bicycles removed or disposed of by the HOA. Please make sure to lock up and maintain your bicycles and to respect other people's bicycles.
